

THE CATHOLIC NEXUS

Did you ever wonder how to think about a particular issue that has arisen that touches your faith?

Did you ever find yourself at a loss to participate in a discussion with others about a religious topic?

Would you like to find out more about some of the theological ideas that are part of Catholic faith and practice?

*If the answer to any of these questions is yes, then you might be interested in a program called **The Catholic Nexus**.*

The Catholic Nexus is part of the St. John the Baptist Church's Adult Education Program. This program is a series of **single** evening educational opportunities that will be periodically scheduled in response to important issues that arise in the Church, Long Island, the United States and the World. The purpose of these gatherings is to offer information and insight to those attending to enrich their own reflection and discussion with others about these issues.

Topics under discussion now which could be the basis of upcoming evenings in ***The Catholic Nexus*** series are:

- Sacred Violence in Judaism, Christianity and Islam
- I'm Spiritual, but not Religious.
- What is Catholic Fundamentalism?
- Bio-ethics 101 in Slow Motion
- Immigration: Who is my neighbor?
- End of Life Decisions
- What to think about Evolution and Intelligent Design

- *Suggestions you might have*

The sessions would involve oral presentations, audio-visual examples and handouts for further reflection, study and prayer. At times, a guest presenter will be invited to share her or his expertise on a particular topic under consideration.

We will conclude each evening with Compline (Night Prayer) from the Liturgy of the Hours.

Please invite your family and friends.

We will advertise in the Sunday Parish Bulletin
